

## **CNYR SCCA May 2025 Membership Meeting Minutes**

The May 2025 meeting of the Central New York Region of the SCCA was held at the Liverpool, NY, American Legion Hall on Wednesday, 14-May-2025.

RE Donofrio called the meeting to order at 7:11 pm. There were 10 attendees.

### **RE Report:**

RE Donofrio welcomed the group and reported he observed the Solo Novice school last month.

### **Assistant RE Report:**

ARE Mangicaro reported he attended both CNY's and Glen Regions first Solo events of the season. Both went well with the usual getting-back-in-the-groove hiccups.

He also reported he changed the oil and filter on his MR2 after only 150 miles – all autocross events over the last two years. The oil looked like it came out of a car with 4,000 road miles.

He received his new SCCA membership card and noticed his SSS had not been updated. He sent an email to the national office and within an hour the website was updated – very impressive! Shout out to Janice Pageler, Program & Member Services Administrator for her quick work in getting the information updated on my.scca.com and letting him know a new membership card will be mailed this week.

### **Treasurer Report:**

Treasurer Cartini reported that the club had \$800 income from the events this past month and \$28 of expenses – a good month. He also reported he was contacted by the bank regarding potentially fraudulent activity with our account. However, it has been addressed with no issues to our balance.

Financial reports were supplied for uploading to the club website.

### **Secretary Report:**

The Secretary reported the April meeting minutes, and financial reports had been loaded up on the club website 10-April. A motion was made and seconded to accept the minutes as loaded on the website. The vote to accept was unanimous.

#### Solo Report:

Solo Chair VanVranken reported the first event included 45 entries. Unfortunately, both timing displays were damaged during the event and will need attention. Another topic that led to much debate was the occurrence during both the Novice School and the Solo event of participants going 4-off the track and the appropriate penalty for this action. A reminder to all, we run the risk of losing the site if we damage their property during our events. Future events will include announcing the penalties for off-track excursions during the event drivers meeting.

#### RallyX Report:

RallyX Chair Moellering was not in attendance. Gerrit V. reported in his absence the new RallyX site in Hastings is being prepped and testing will be conducted soon.

#### Road Rally Report:

There was no Report.

#### Flagging & Competition Report:

Mick Levy reported that racing activity at WGI is in full swing. The BMW Club, ChampCar, and the IMSA 6 Hour events are scheduled for the upcoming weekends.

Mark B. reported he had an excellent time running his GT Corolla at the NASA HPDE at WGI.

RE Donforio gave a short report on the past AER event that was pretty much a non-event due to bad weather.

#### Old Business:

None

#### New Business:

None

The next general membership meeting will be Wednesday, June 11<sup>th</sup> at the Liverpool American Legion.

Karl H. made a motion to adjourn. The motion carried at 8:14 pm.

Minutes submitted by Ed Leubner, Secretary CNYR SCCA.
