

The September 2019 monthly meeting of the Central New York Region of the Sports Car Club of America was called to order at 7:11 PM, Wednesday, September, 11, 2019, at the American Legion in Liverpool, NY by Regional Executive Ed Leubner. Sixteen people were in attendance.

Ed Leubner made a motion to accept the minutes of the July meeting. The motion was seconded by Leo Sawyer and approved by unanimous voice vote.

Regional Executive's Report
R.E Ed Leubner.

Ed ran the open track day at Pineview last month... nice track for small cars low hp...but can get tricky during rain.

Mike and Ed ran the ChampCar at Thompson and finished 5th out of 31 attendees.

Ed attended the SVRA event and ran into Dennis Hess and others. Friday at the downtown events was very busy.

Bob Holcomb survived the hurricane in Florida.

Street Scene was very wet. The turnout was lite because of the potential of rain. It again shows us that the event is not a great promotion tool.

Don't forget...We are always looking for articles to publish in the Snarling Newsletter.

A.R.E. Mark Bizzozero. Mark wants to thank everyone for a successful Solo season.

Secretary's Report
Secretary Chris Whaley: I am still running for the Area 10 Director position.

Activities Report
Activities Chair Chris Murphy: Ted B. - the picnic was a great time even with the smaller turnout. Chris said the year end banquet is being held at Dinosaur BBQ this year.

Solo Report
Solo Chair Scott Newton. Attendance has been lower than expected. Some of which is due to conflicting events with near by Regions. Pine View was well attended with no one from the wait list not being able to get into the events. Weather turned out nicely and the events were able to manage numerous runs. Solo has 1 more out of region event with Finger Lakes on Sept 29th at the Seneca Army Depot. Ed Leubner will check into a HPDE event at PineView with National.

Rally Cross Report

Rally Cross Chair Billy Meade. Billy reported that the last event was at Adirondack Speedway. The last car finished at 12 am "Midnight". The 2 days was a good event. The property owners are willing to make numerous updates/changes to the venue that will improve the events held there.

The next event will be held at Walczyk's Farm and the course will be mowed so it will be boarded by 6 ft tall grass. Really Cool!
