Activities Chair Chris Murphy: Chris was not present. Due to Covid19 we are not sure which options are available for a banquet.

Solo Report

Solo Chair Scott Newton. Scott reported that a test and tune was held in early June as a means of exploring online registration and covid19 event planning. The positive impact was a clear definition of attendance prior to the event. This streamlined the event flow. The season events were capped at 50 and we saw 40 plus attendees at all events. Mark Mangicaro will be taking over the Solo program starting next season.

Rally Cross Report

Rally Cross Chair Billy Meade. Billy Meade reported that we have not officially had an event this season. The first event will be held the end of October in Northern, NY. Should the event come together nicely we will go back in November. The goal is to hold 4 events at this location which is much closer to the Vermont region.

Flagging and Communications Report

Flagging & Communications Chair Mick Levy. Mick reported that this weekend is the BMW racing at Watkins Glen, the Green Grand Prix next weekend then nothing else. The SCCA run-offs were AWESOME this season.

Membership Report

Membership Chair Andrew Beyer. Andrew was not present.

Old Business

None to report due to the Covid19 summer.

New Business

Ice racing has been struggling to find insurance, they found a source which allows them to get back to racing. We should support their efforts by "talking it up" so they can get cars to turn out at the events. November we will hold the elections for the board positions.

The 50/50 raffle was not held.

At 8:20 PM a motion was made by Mike Donofrio to adjourn the meeting. The motion was passed unanimously.

Our next regular meeting will be held Wednesday, November 11th, 2020 at the American Legion in Liverpool, NY at 7:00 pm

Respectfully submitted by Chris Whaley
