Having Fun?

Mike Donofrio

Most motorsports is a series of ups & downs, the times when everything is working, and going well, and those times that it isn't. What is most important is that through the good and the bad you are still having fun; after all that is what got us all here in the first place.

This past weekend I spent at Watkins Glen brings that all back into perspective. There were only five of us representing the CNY region out of around 250. Saturday which was qualifying brought overcast skies and rain all day. Sunday was sunny, 70's and dry.

There was Tim Murphy Jr. & Sr., Mike Gould, Gary Nickerson and myself. Tim Sr. was out for his second race in their Spec Miata, following his last time out in Lime Rock where he had a little incident with a wall. Fortunately this time he did not, and brought it back in one piece. Both of them qualified well, having rain tires certainly did not hurt. The same can not be said for other members of the group.

Mike Gould certainly had the biggest disappointment of the weekend. His Formula Continental required a wrecker to get it back in the trailer, after a two car incident leaving neither drivable. He was fine but the car wasn't. It was missing a wheel, wing, and part of the transaxle. Plus there were numerous components still attached that were fairly damaged.

Gary Nickerson, I never saw so I have nothing to report on his results. I on the

other hand am the proud owner of a rain tireless Miata. Instead I opted for the generous 4/32nd shaved race tire as the ace up my sleeve. Qualifying in the rain was like trying to autocross a zamboni, it handled great so long as you weren't in a hurry.

Sunday proved to be much better, since I could put my tires into proper use. The only downfall was that I was only able to use them for about 6 laps. The rest were under caution and that is how we ended. However, it could have been worse. I didn't smash into anything, nothing broke and most importantly I had fun doing it.

So whether taming a road course or navigating some cones, having fun should still be the motivating factor. Regardless of your results or level of competition don't lose sight of what got you here to begin with. Myself, it has always been driving fast, and trying to do things with four wheels that I am not sure laws of physics will allow. To me, that is FUN!

CNY General Membership Meeting Held on July 12, 2006 at Barbagallo's Restaurant in East Syracuse, NY

The meeting was called to order at 7:25 by CNYR Regional Executive **Michael Donofrio**. Mike greeted members as club members dried off from the day's flooding in CNY, but a hard core group of enthusiasts was in attendance and ready for some club news.

Assistant Regional Executive: Anthony Donofrio.....Was not in attendance...undoubtedly splashing around in some puddles.

Treasurer: Jay Cartini - Put his marketing hat on and began discussion planning about the upcoming Sport Compact and Truck Blast on Sunday July 30th, and CNY-SCCA's presence there. Jay also announced he has expanded his vast collection of technicolor pants and will be rockin a new pair just for this car show.....the meeting came to a halt.....Jay broke the silence by also stating he has binders full of past "Snarling Exhaust's" and will be passing them on to region historian **Mike Fuller**.

Secretary: Joe Zingaro - Made a motion that the minutes be accepted as printed in the previous Snarling, some laughed, some cried, and the motion was granted.

Activities Chair: Bruce Parker - Bruce reported on the annual pilgrimage to the Watkins Glen SCCA National Race on Saturday July 8th, and a great lunch of "Mr. Chicken" was had by all. Bruce also reminded all of the **Annual CNY-SCCA Summer Picnic at the Onondaga Yacht Club at 6:00pm** held in place of next month's membership meeting

Solo II: Mark Bizzozero - Mark reported on the successful event held at the Historic Cherry Valley Kart Track in Lafayette on July 9th. Some timing issues at first caused concern, but the resilient "Solo Gang" rolled with the punches and had a great event nonetheless. Mark wanted to remind all of the upcoming NE Divisional Solo at the Seneca Army Depot.

Editor/Webmaster: Media Guru Joe Kramer was in attendance and noted he can correct the cable issues which caused the timing problems encountered at the recent Solo, once again proving his moniker as the "King of All Media and Communications".

Flagging and Communications: Mike Fuller was not in attendance, but **Andy Beyer** stepped right in and reported on all the happenings at the recent Watkins Glen National; noting the good racing and fantastic weather.

Competition: Joe Zingaro reported on the recent Watkins Glen SCCA National where CNY was very well represented. **David Kicak** took third in **Jerry Doner's** F-Production MG Midget. **Joe Zingaro**, crew chief **Mike Zingaro**, and chief car cleaner **Ian Zingaro** took second in GT-Lite in their Nissan Sentra, and **Jim Ocuto** took the checkered flag first in his Showroom Stock B Mazda Miata.

Merchandise: The "Murphy Contingent" was not in attendance.

Old Business: None

New Business: Club members and CNY-SCCA sponsors **Jeff Phillips of J&J Automotive** and **Bruce Fehlman of Fehlman Bros. Automotive** to discuss the region's possible involvement in the upcoming CNY Automotive Service Center's Car Care Fair at the Fayetteville Towne Center on Saturday September 30th from 9am-3pm. The show will consist of the annual Car Care Fair which assists car owners with assessing their automotive needs, a diverse car show with prizes in various classes, and automotive trade booths and exhibits. The region will gladly assist the Car Care Fair with the logistics of traffic control and various other functions, and the Car Care Fair reciprocated with the offering of a space for a CNY-SCCA promotional booth.

Jay Cartini once again won the 50/50 Raffle taking home \$8.00....or so he thought....he made the mistake of saying the if everyone put in an extra \$1, he would donate his money back to the club. Well..spite was in the air, as everyone stepped up and the club's total was now \$24. Jay truly is a marketing/finance genius.

The meeting was adjourned somewhere around 8:15 ish.

CNY- SCCA
Annual Picnic
Wednesday, August 9, 2006
6:00 P M
Onondaga Yacht Club

The annual picnic will again be on the second Wednesday of August (the normal SCCA meeting day.....second Wed.. of the month).

The venue will be , as in the past several years, the Onondaga Yacht Club, in Liverpool.

The weather has been terrific for several years in a row and we anticipate the same this year. However, rain or shine, the Yacht Club offers a great place for our picnic. **Please be careful as you drive across the parkway to the Yacht Club from Sycamore Street.**

The price for everything is going **up,up , up**. But not here at the CNY Region of the SCCA. The fee remains just \$5.00 per person. Hard to believe right.

The meal cost about \$15.00 per person. That's right, \$15.00 per person. So how do we do it? The financial guru of the club (Jay, our treasurer) claims he has a secret plan to overcome the apparent financial loss. His secret plan.....VOLUME!! So please plan to attend, pay your **\$5.00**, add to the volume, have a great time and play right into his financial plan to make millions for the club.
