Time Flies!

Mike Donofrio

It seems like just yesterday that this year began, when it occurred to me that we are nearing election time again. Not to be rushing things, but it is only two months away. As fast as it has gone by much has happened since we left 2005.

Membership is up nearly a full 10% from where it was at the end of last year. It would be great if we could keep this trend going in the years to come. For our members, the General Membership Meeting has a new home at Barbagallo's, for all your conversing and EATING needs.

The club in general has updated and modernized much of its equipment. This includes in the IT department a new laptop, printer and timing software. The club van has received a makeover in the way of exterior graphics, wheel simulators, and a refurbished grille. On the inside it was treated to a complete reorganization along with new supplies, including fresh cones and the addition of a generator. Even "Pimp My Ride" could not have done it better.

Solo had a full schedule with a new venue for CNY at Seneca Army Depot. The lot is adequately sized, at slightly larger than the state of Rhode Island, at least it seemed that large! After a long hiatus the night run made its return taking place at Cherry Valley on August 19th. For those who missed it this year, have no worries, I am just guessing you may see this again in 2007.

The website and newsletter have also seen vast improvements this year, thanks

to our Media Czar, Joe Kramer. Joe has brought the website into the new millennium. Along with it came the Snarling Exhaust online and up to date info, including the most recent Solo results. The newsletter continues to get better and better, great presentation, information and quite the advertising marketplace. Most importantly it continues to arrive on time, in spite of my constant efforts to inadvertently slow it down, i.e. late article!

Overall 2006 has been a success for the CNY region thus far. We still have 2 Solo events remaining, the 5 minute endurance at Cherry Valley, and the final event of the year at Shoppingtown. Plus we will be taking part in the Be Car Care Aware Fair and Custom Car Show at Fayetteville Towne Center on September 30th. Which consequently we need volunteers to help direct show traffic and work our CNY SCCA booth. All interested people contact me for event specifics and further details.

Although this has been a banner year these achievements cannot make up for the loss of one of our own. Sonya Snyder recently passed away leaving behind a long history with the SCCA most recently with her words gracing these pages as the newsletter editor. Sonya's involvement in the club will not be forgotten, her dedication, ambition, and volunteerism exemplifies what we should all strive for in this club and in life.

NE Divisionals

By Joe Kramer

155 Competitors assembled for the 2006 NE Divisional Championships held July 22-23 at the Seneca Army Depot in Romulus, NY. In the days leading up to the event, the weather forecast went from good to marginal, then to possibly poor. By Friday morning, things were not looking good for Saturday. And by Saturday morning things had turned really wet.

There are some courses that are easier to follow than others when the skies open and the rain washes away any traces of the lines that are laid down to guide drivers from gate to gate, and only a blur is visible through the windshield between wiper swipes. There was at least one point where this course was not one of them. 5 of the first 9 cars went off-course at this spot. The problem was that there was a gate just before the first slalom and the rightmost cone of the gate lined up with the single-file cones in the slalom. Add to this the fact that the fast path was to enter to the right of the first slalom cone, and that the leftmost cone of the gate was placed near the edge of the runway, and you have a busy morning on the radio at good old Station 1. To make matters worse, the deluge rendered the course log sheets illegible and had disabled a number of the radios, so that competitors (Mark Bizzozero among them) were not necessarily aware that they had strayed from the course. It was not that the course design was bad (on the contrary, Jim Garry had done an excellent job creating challenging courses for both days), or that any of the workers or organizers didn't do all they could given the difficult conditions – they did.

In spite of the weather-related difficulties, it was a great event. Some of the best drivers in the Northeast were there, including some representing CNY.

CNY member Karl Hughes took first place in DP co-driving the silver DP Miata of CNY associates Brian and Tina Reeves. The legendary Kathy Barnes of NER was co-driving with Tina, who took first in DPL.

Mark Bizzozero had a tough time in his HS Mini, going off-course on all three runs on Saturday, putting him out of contention.

The really-fast-in-anything-with-a-gas-pedal-and-four-wheels Brian Ciarlei had the fastest times in FM both days in his F440 Red Devil to take the 1st place trophy.

Scott Newton of CNY gained some valuable experience against a tough field in ES with his Red Porsche 944. Scott thoroughly enjoyed his first divisional.

Michael Virdone, also of CNY was co-driving Jonathan Wolff's ESP Camaro. The car seemed to be just a real handful for Mike, who couldn't manage a clean run, but did get the cone count down to 1 on both days.

Derek Wyman, another CNY associate member, had a heck of a time adjusting to the changing track conditions on Saturday, including some off-roading on his first run. By his last run on Sunday, Derek was returning to form and finding the fast way around the course in his STS Plymouth Neon ACR.

And finally, your newsletter editor gained some valuable wet driving experience on Saturday. The GS Mini S was capable of more, I'm sure, but I was not. My fastest scratch time on Saturday (also my fastest time for the day) was marred by 2 cone kicks, both with the left rear wheel. I finally laid down one good run on my last outing on Sunday, but not nearly good enough to finish in the trophies. But what a blast!

“Fuel For Thought” – Remembering Sonya

By Joe Kramer

As many members already know, Sonya Snyder, former award-winning Snarling Exhaust editor, former CNY Membership Chairperson, and long-time SCCA member recently lost her battle with cancer. The following is an excerpt from her obituary:

“Sonya L. Snyder
August 7, 2006 Sonya L. Snyder, 67, of Fayetteville, passed away Monday at Iroquois Nursing Home. Born in Syracuse, she received her BA from LeMoyne College and her MA from SUNY Albany. She was a librarian at CBA for 16 years, retiring in 2004. Sonya was a member of the Sports Car Club of America and the Red Hat Society, Fayetteville chapter. Survivors: A daughter, Allison (John) Teachout of Skaneateles; a son, Nathan Snyder of Fayetteville; a sister, Dolores LaMay of Fayetteville; and three grandchildren, Alexis, Kyle and Megan Teachout.”

Sonya was Newsletter Editor/Solo Registrar/Membership Chairperson when I came to the region in 2002. She took her responsibilities seriously, realizing that others depended on the Snarling for news and information about the region. And what would a Solo event be without a friendly face to guide the competitors through the registration process? Although she seldom competed herself during the years I knew her, she seldom missed an event – always staying at least until registration closed.

Sonya’s “Fuel for Thought” column often graced the Snarling’s pages, providing informative, insightful, and entertaining material for her readers.

I received a call from Sonya in mid-December, 2003, a month before I was to start my official term as Regional Executive. Through tears she told me that, due to issues in her personal life, she would not be able to continue as editor of the Snarling Exhaust. I did my best to assure her that everybody would understand. And I offered our help if she needed it. She was obviously saddened. She continued to work registration at Solo events as her health would allow, with Tammy Franklin taking over more of the responsibilities as time went on. It was only this season that her health kept Sonya away from the registration table entirely.

Sonya was a great lady. To her, the club was her extended family. I will miss her. I am sure that those members who knew her will miss her, too. Her passing gives us all fuel for thought...
